Sen. Chuck Schumer (D-NY) - Leadership & Palantir/AWS Exposure

Senate Majority Leader Schumer (Appropriations and Judiciary influence). Financial disclosures and indirect family trust exposure to Palantir, Amazon (AWS - ICE cloud hosting), and Microsoft through broad tech holdings. Schumer's committee roles oversee DHS funding and surveillance programs. Multiple watchdog reports flag leadership trades in companies benefiting from ICE contracts. Source: Senate financial disclosures and CREW tracking (2021-2026).
